Auditor's Report

1969

**To the Board of Selectmen of the Town of Moultonboro,
New Hampshire:**

In accordance with your request, we have performed an examination and audit of the financial affairs of the Town of Moultonboro (exclusive of the Moultonboro School District) for the calendar year 1969. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such audit procedures as we considered necessary under the circumstances.

In our opinion the statement of current working assets and liabilities as reflected in the annual report of the Town of Moultonboro, as at December 31, 1969, (exclusive of the Moultonboro School District) and the statement of receipts and disbursements of the Town of Moultonboro, (exclusive of the Moultonboro School District) and the results of budget operations for the year 1969, present fairly the financial position as at December 31, 1969, and the results of budgetary operations for the year then ended in conformity with generally accepted accounting principals, applicable to governmental operations in New Hampshire, applied on a basis consistent with that of the prior year.

Respectfully submitted,

Librarian's Report

The year 1969 has been a most unusual year in the history of the Moultonboro Library. At a previous town meeting, funds were voted for an addition and remodeling to the library and this year the addition was constructed and remodeling was completed. After many delays, due to uncontrollable circumstances, the building is nearly finished, and should be completed by town meeting. The trustees and librarian hope that townsfolk and summer residents will visit and make use of the fine facilities which are available to them. Utmost care has been expended to use the taxpayers dollar to the fullest extent possible. In spite of extreme difficulties, the library was open at all regular times during the period of construction.

The School Library Branch is in its 11th year with Mrs. Isabelle Behr, Mrs. Marguerite Gruner and Mrs. Paula Smart in attendance. The school circulated 7,161 books on Tuesday afternoons.

The memorial list of books has grown and it continues to grow. Books of this type are always welcome at the Library. Memorial books were given in memory of Mrs. Inez Aston by her daughter, Mrs. Charlene McGuinnes; William Wakefield by his grandson, Richard Wakefield; Harriette Price, Annie Wallis by W. S. C. S.; Harriette Price, Lester Taylor, Peter Larson and Virginia Sturtevant by Moultonboro Historical Society; Hazel Dale by Pythian Sisters and Isabelle Behr and Evelyn Brown; Edgar Brown by Mr. and Mrs. Gustave Behr; Lester Taylor by Mr. and Mrs. Leonard Plaisted; Harriette Price by Martha Oliver and by Katherine Quirk Art Class; and Steven Martin by Richard Wakefield and by Peter Pohl.

We have also had some very fine books presented to the library. Some of the donors were Edward Blackstone, Mrs. Harold Munroe, Mr. and Mrs. Gerard Ives, Mr. and Mrs. George Macomber, Mrs. Clarence Frye, J. A. W. Richmond and many others. The State Library presented the library with \$100.00 which will be used for reference books.

For the first time the circulation of records has been considerable and the library now owns between 200-300 fine recordings which may be borrowed.

This year has also brought its sadness. Mrs. Hazel Dale, who had been a trustee for a considerable length of time, died in October, and her guidance and interest has been sorely missed as it has been at the school library branch, she having been a volunteer there for ten years. Mrs. Beatrix Solomon resigned as she became a resident of Gilford.

Mrs. Evelyn Brown was a most efficient assistant at the Moultonboro Library this past summer.

The library statistics are as follows:

Circulation	1969	1968
Fiction	4,034	4,617
Non-fiction	2,385	2,933
Juvenile	2,261	3,146
Magazines	351	437
Records	243	
Total	9,274	11,153
School Branch	7,161	6,843
Total	16,435	17,976

The number of books purchased were 445 and 271 donated, making a total of 716 books added to the library. Discards numbered 295.

The library hours are:

July and August — Mon., Wed. and Sat.
2 p. m. - 4:30 p. m. and 7 p. m. - 8 p. m.

September to July — Wed. and Sat.
2 p. m. - 4 p. m. and 7 p. m. - 8 p. m.

Respectfully submitted,

Adele V. Taylor, Librarian

Planning Board Report

We regret having to report that during the last year our former chairman, William Visser, and Arthur Solomon found it necessary to submit their resignations. Mr. Ralph Dale was appointed by the selectmen to replace Mr. Visser but at this writing we are still lacking one member to complete the five man board.

In December the Moultonboro Planning Board and the two delegates from town were hosts to the Lakes Region Planning Commission.

Throughout the year frequent regular meetings were held with great enthusiasm and the board found working together a harmonious experience. Many topics were covered and much study put into the problems we felt we most obvious in Moultonboro at this time.

Mr. Howard Jackson, state highway engineer, spoke to the board on requirements in constructing acceptable roads. It was pointed out that sufficient rights of way, road slopes and proper drainage will, in the long run, keep maintenance costs to a minimum. It is only fair to the taxpayers that road constructing expenses should be borne by the developers, not the town.

It is obvious that without soil use maps of Moultonboro a complete zoning ordinance is something that must be tabled until the Carroll County Soil Conservation finishes the mapping of our town. When we have no idea of the types of soils within our boundaries or the capabilities of these soils it would be ridiculous to present zoning regulations for consideration to our townspeople. With this in mind we directed our efforts at a few badly needed ordinances that would help to protect our people both health and pocketbook wise from any unscrupulous developer with poor planning practices.

We have drafted ordinances on Lot sizes, Setbacks, Roads and Building Heights which we hope to present to you for consideration in the near future. Naturally these ordinances will not apply to existing roads, lots etc. but only to future ones.

Remember you the people of Moultonboro voted to re-activate the Planning Board; so, when we hold the necessary hearings on these ordinances please make the effort to attend and let your thoughts be heard. It is the only way you can make an intelligent decision on which way to vote on these suggestions.

We still meet on the first and third Thursday of each month and you will always be welcome to stop in with any suggestions or criticisms.

Report of Forest Fire Warden And District Chief

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a. m. and after 5:00 p. m.

Exceptions

Commercial or Industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.
